Good evening all,

The German government just finished their press conference and while there may be some re-openings for museums, churches and playgrounds, there is no further information for schools.

Another press conference will take place on 6 May and more details regarding when and how schools re-open will be provided then.

As always, we will continue to monitor the information from the German and Bavarian government and will plan accordingly. We will continue with our contingency planning regarding re-opening; namely hygiene and cleaning protocols, rooming and spacing and the structure of the school day and week. We will communicate these when government directives have firmed up.

Wishing you all a wonderful, relaxing long weekend.

Warm regards,

Liam
