We strongly recommend speaking to the Counselor prior to submission of this sheet to compare choices with future career goals.

\* Higher Level courses need the approval of the IB teacher. German Ab Initio for students never having studied German Language. One language A must be chosen (English A or German A, both can be chosen in place of a language B)

\*\* IB Diploma students are required to purchase their own textbooks, starting in Grade 11. These books become constant study companions as they prepare for their exams at the end of grade 12. Owning their own books allow students to be able to highlight important information, make annotations in the books, etc. A list of books that need to be purchased will be provided by the middle of May.

\*\*\*In order for the IB Diploma to be recognized as equivalent to the German Abitur by the *Zeugnisanerkennungsstelle*, students must complete a Language (A or B) at Higher Level (HL) and Mathematics OR a Science subject at HL. Students must also achieve a minimum of 12 Points in the HL Subjects and 24 Overall for the Diploma. There are additional requirements for certain subjects.
