

HOW EY1 CELEBRATE

Birthday Parties are a special event when you are small. In EY1 on your child's birthday, teaching staff bake a cake, make pancakes or cookies with your child. It is an in-class celebration shared with their peers. Photos of the event will be posted on Toddle. If you would like to provide anything further we respectfully request fruit skewers or a fruit platter. We have provided some images as inspiration. Many more great ideas can be found on Pinterest. For EY1 we believe a party bag is best shared during a private home celebration.

Birthday invitations for private celebrations can be delivered in the morning to children's pigeon holes.
