

Dear ISU EYP families,

We at ISU believe that a good transition helps to set a positive tone for respectful relationships between parents, teachers, and students. Therefore recommend families with students starting EY2 and EY3 next year to schedule a meeting time with your child and teacher for the first day of school on August 18th. This is an opportunity for both returning and new students along with their parents to have a one-to-one conference with their teacher. The teacher can review class routines and expectations, and answer any questions or concerns the parents or children may have.

We will be using the [Parent's Evening System](#) and is open for 15-minute appointments for your EYP 2 & EYP 3 for the August 18th interviews until August 17th at 19:00.

Mrs. Ensminger will be teaching EY2 and Mr. Benson will be teaching EY3.

Please be aware that it is not a regular day for EY students. Students will only be present with their parents for the interview.

Thank you,

Maria Tran
Lower School Principal
