

Dear ISU Families,

We are happy to announce that our regular After-School Care (ASC) program will resume on August 22nd. Please complete the after-school care sign-up using this [link](#) in order to secure your spot for the following week and to ensure that we can plan accordingly.

The link will be the same every week and will open every Wednesday and will close every Friday for the following week. If you have the same needs every week then you will only need to fill out the form once. If your needs change then you will need to fill out the form each week to reflect the change.

If you do not fill out the form but need after-school care you will need to contact us and the homeroom teacher by 11 am on the day via email or by calling the front desk. Please make sure you receive confirmation.

ASC is a service that ISU provides to assist parents with care needs. We strive to ensure that there is adequate supervision for the health and safety of your children therefore we ask that ASC not be used for playdates, etc.

When you arrive please call this number: +49 160 93948915 and someone from our after-school care team will bring your child to the gate or the front door.

If you have any questions please feel free to contact us. We thank you for your continued support in keeping our community safe.

Thank you,

Maria Tran  
Lower School Principal
